Dear Parent/Guardian,

We are delighted to welcome you to the London Army Cadets!

As a member of our community, you will have access to a range of exciting opportunities and experiences that will help you develop new skills, make friends, and build your confidence.

At London Army Cadets, we are committed to providing a safe and inclusive environment where young people can learn and grow. Our program is designed to challenge you both mentally and physically, while also encouraging you to explore new interests and pursue your passions listed on our website.

As a member of No 9 Army Cadets, you will have the opportunity to participate in a range of activities, including camping, hiking, marksmanship, leadership training, and community service. You will also have access to specialized training in areas such as wilderness survival, first aid, and military drill.

Our program is open to all young people aged 12-18, regardless of background or experience. Whether you are interested in pursuing a career in the military or simply want to challenge yourself and try new things, we welcome you to join our community. We're so army, we even use the 24-hour clock!

But hold on! Where do I go, what am I learning?! What we are learning every Monday night is called the "WROs", this is where we post our training location on base and all the important stuff! So, please visit our website at londonarmycadets.ca. Quick survival tip, always arrive 10 minutes early, bring water, a notepad and something to write with. ;)

We look forward to seeing you soon!

Best regards,

Captain N. Hastings

Commanding Officer, No 9 RCACC
